Dear Ed,

With all that goes on during the course of the day in any business, who would think that something as simple as a water cooler could bring such joy to the workplace?

My employee's are thrilled! Great tasting water, no more lugging of 5 gallon water bottles and filtered hot water instantly as well!

Thanks again for making life simpler and more enjoyable.

You can be sure we will pass your name along to others. We are in an industrial park with many warehouses and office buildings and we all know one another.

Cordially,

Blue Ribbon Pet Products, Inc.
