Dear Mr. Tammaro,

I am writing this letter in reference to the bottle less cooler you installed in my office. I must tell you, the machine looks great, installation went very smooth and by the way your installer was very efficient. Myself, staff and my customers all can not believe how good the water is. The only problem is that customers always ask how it works, so I need more brochures. I must say it's also a pleasure not having empty water bottles in my office and besides the fact of carrying them.

It would be my pleasure to recommend your product to anyone. Please feel free to use me as a reference. Once again Thank You.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph Rondinelli". The signature is fluid and cursive, with a long horizontal stroke at the end.
