Dear Mr. Tammaro:

I am writing this letter to tell you how happy I am with the bottleless water cooler your company installed in our office. The unit produces superior quality hot and cold water to our employees. Our staff is thrilled that there are no longer any heavy bottles to lift and to store around the office. You should also know that when other tenants of our building come in, I am more than happy to show our cooler to them.

Your product is everything you said it would be and more. Please feel free to have anyone contact me who may be considering purchasing your unit.

Thank you for your wonderful product and for your outstanding professionalism and customer service.

Regards,

Joe Mazza
