Dear Ed,

I wanted to take a minute to thank you for the wonderful service you have provided in our office. Many of my coworkers share my sentiments and appreciate the package you put together so that we could have three machines conveniently spread throughout our facility. The water tastes great and the machines look wonderful. It is also great not to have big water bottles laying around the office.

I will continue to refer you to anyone I feel could benefit from your service. I wish you the best of luck in your future endeavors...

Best regards,

Dennis Fritzsche
