To Whom It May Concern:

I would like to take this opportunity to thank you for the bottleless water cooler in our building. We have had the system for several years now and are extremely pleased.

Both our employees and customers comment about the excellent tasting water and are so impressed with the convenience that your water cooler offers over bottle water systems.

As in the past, we would be happy to refer your company to any other car dealers or anyone needing a water cooler. We wish you continued success in the future.

Sincerely,

Lee C. Polin
